

RHINOLIN II™ ULTRA SMOOTH DESK PAD

Built-in Microban® antimicrobial product protection provides an added level of cleanliness to our desk pads by inhibiting the uncontrolled growth of microbes. Works 24/7 will not wash off or wear away. Lasts the lifetime of the product.

Rhinolin II features an ultra smooth writing surface with a low-glare satin finish.

Durable, washable construction that lasts for years to protect your desktop.

Soft, anti-skid, suede-like backing keeps pad in place to prevent slipping on desk surface.

Infused with Microban® antimicrobial product protection that works 24/7 and will not wear off or wash away. Protects even the finest desk surfaces, including wood, acrylic, urethane and painted surfaces.
