Floor Science®

Easy Apply Floor
Finish

Floor Science® Easy Apply Floor Finish reduces the need to strip and refinish by drying clean with a tough, long-lasting gloss. Use the complete Floor Science system to create and maintain a consistently brilliant shine on floors with minimal time and effort.

Features

- Low maintenance, high durability and great value finish
- Excellent traffic and mark resistance even on older floors
- Easy to clean, maintain and strip with matched Floor Science products
- The “built-in” sealer means the finish acts as its own sealer—no separate product required
- Solids Content 17%

Benefits

- Great leveling
- Easy application and recoat
- Meets ASTM D-2047 slip resistance requirements
- Use on all resilient floors including vinyl, vinyl composition, vinyl asbestos, asphalt tile, rubber and linoleum. Non-resilient floors such as concrete and terrazzo should be sealed.
- One gallon covers up to 2,500 sq. ft. (232 sq. m)

Use Directions

1. Blockade areas to be finished. Floors will be very slippery until dry.
2. Strip floor using recommended Floor Science® stripper according to label directions.
3. Apply 2-3 uniform coats using a clean mop. If higher gloss is desired apply additional coats. Do not apply more than 4 coats in a 24 hour period.
4. Allow 40-50 minutes drying time between coats.

MAINTENANCE

1. Dust mop or sweep.
2. Clean the floor using recommended Floor Science® cleaner according to label directions.
3. If desired, spray buff using recommended Floor Science® Cleaner & Restorer Spray Buff to enhance gloss.

Product Specifications

Description	Ready-To-Use
