Floor Science®

Heavy Duty Floor
Stripper

Floor Science® Heavy Duty Floor Stripper is a low-odor, heavy duty stripper for today's tough build-ups and burnished finishes. Excels with superior wetting, penetration and emulsification properties. Use the complete Floor Science system to create and maintain a consistently brilliant shine on floors with minimal time and effort.

Features

- Works on both Floor Science finishes
- Non-solventated formula is suitable for use on a wide range of flooring
- Heavy duty and non-ammoniated for tough stripping jobs without the odor

Benefits

- Designed for floor finish removal on VCT, terrazzo, and concrete flooring. Not intended for use on wood, linoleum, rubber, marble, painted surfaces, or on surface colored and acid dyed concrete floors as this product may harm these surfaces. Test for softening or color bleeding on asphalt floors before using
 - One gallon covers up to 1,800 sq. ft. (167 sq. m)
-

Floor Science®

Heavy Duty Floor Stripper

Use Directions

Use appropriate personal protective equipment.

1. Dilute product as follows: Light /Medium build up of Floor Finishes: Dilute product 1 part Floor Science® Heavy Duty Floor Stripper with 8 parts cool water (16 oz./Gal).

Heavy build up of Floor Finishes: Dilute product 1 part Floor Science® Heavy Duty Floor Stripper with 4 parts cool water (32 oz./Gal).

2. Blockade areas to be stripped or sealed. Floors will become very slippery when stripper is applied. Exercise caution.

3. Apply liberal amounts of solution uniformly on floor with mop. If splashing occurs, wipe off surfaces with a clean rag dampened with water.

4. Let stripper solution soak in for 10-15 minutes. Increase soak time if using cool water. Keep areas to be stripped wet.

5. Scrub thoroughly using a stripping pad or brush to break-up film.

6. Pick up all of the solution with a clean mop, wet vac, or an automatic scrubber.

7. Thoroughly rinse floor with clear water.

8. Let floor dry completely before applying recommended Floor Science® brand finish.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Do not store in food processing or storage areas.
