

Surface Sanitizer

Cleaner • Detergent • Sanitizer • Deodorizer

A quarternary ammonium chloride-based, no-rinse sanitizer for three-compartment sinks and food contact surfaces.

Features & Benefits

- Automatic measurement delivers precise doses per application, providing consistent cleaning
- Sanitizes food contact and other hard environmental surfaces
- Safe for soft and precious metals
- Three simple steps to deliver accurate dosing that eliminates guesswork

Applications

- No-rinse sanitizer for three-compartment sinks and food contact surfaces

Surface Sanitizer

Cleaner • Detergent • Sanitizer • Deodorizer

Use instructions

Modes of Application

- This product can be applied by mop, sponge, cloth, paper towel or (hand pump) coarse trigger sprayer.

For Use as a Cleaner and Deodorizer

- Apply use solution to surfaces. Wipe surfaces and let air dry.

Sanitizing Food Contact Surfaces

- Pre-flush, scrape or pre-soak articles to be washed.
- Wash areas or items to be sanitized with clean water and a recommended detergent.
- Rinse with potable water.
- Sanitize in a solution prepared by diluting 4.14 ml/946 ml (or a 1:224 dilution) of water to 200 ppm quaternary level. Immerse or wet all surfaces for at least 60 seconds or as required by local sanitation regulations. When solution depreciates or becomes soiled, discard. Test sanitizer solution periodically with a Quaternary Test Kit to ensure 200 ppm active quaternary.
- Drain and allow equipment or utensils to air dry.
- Note: NO POTABLE WATER RINSING of equipment is required. Avoid contamination of food during use or storage. Prepare a fresh solution daily or more frequently if soil is apparent.

Technical data	Surface Sanitizer
Certifications	Kosher, Halal Acceptable for use in food processing establishments in Canada.
Color/Form	Clear red liquid
pH	11.7 (Concentrate) 10.5 (Dilution 1:224)
Scent	Bland
Shelf Life	1 Year

Product	Pack size	Dilution	Product code
Surface Sanitizer	2 x 1.4 L SmartDose ^{TM/MC}	1:224	95509261 

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
