

Valid[®] II

5EL1

Fabric Softener

Concentrated fabric softening liquid suitable for application on most types of fabric for use in commercial and on-premise laundries.

Features & Benefits

- Imparts a smooth, silky feel on woven or flat knitted fabric
- Prevents build-up of static electricity on synthetic fabrics
- A concentrated fabric conditioner based on biodegradable cationics and quaternary ammonium salts

Applications

- Good softening of many types of fabric (towels, sheets, wool, delicate articles, etc.)
- Can be used for most types of fabric, but is particularly effective on bulked or textured fabric, such as towels

Use Instructions

- **Commercial Machines:** Dispense automatically with Diversey dispenser
- **Homestyle Machines:** Dispense automatically with Diversey dispenser. Follow washer manufacturer's recommended washing procedures.
- **For Food Plant Use:** Thoroughly rinse all laundered fabrics used in food plants with potable water before re-use. Avoid contamination of food during use or storage. Do not use on shrouds in meat plants. Not for use on food contact items.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
