

Solvent-Free Cleaner/Degreaser

Tempest™/MC SC is a high alkaline, solvent-free degreaser for commercial cleaning applications. This super concentrated, powerful formula removes food-based soils, oils, greases, metal working fluids and shop dirt.

Features & Benefits

- Cleaner and degreaser that removes stubborn food based soils, oils, greases, metal working fluids, and shop dirt
- Low-foaming, solvent-free alkaline degreaser that contains no VOC's
- Quickly penetrates industrial soils without solvents
- Cuts through tough greases and soils found in food processing areas and manufacturing locations

Applications

- Use in autoscrubbing and mopping applications
- Pressure washing, immersion cleaning

Use Instructions

Recommended Dilutions:

- Heavy Soil, Parts Wash and Immersion Cleaning: 1:24 - 1:32
- Medium Soil, General Cleaning, Floor Cleaning: 1:64 or 1:128
- Equipment, Machinery and Pressure Washing Cleaning: 1:128
- Light Soil, Auto Scrubbing: 1:256

Sprap-and-wipe Cleaning: Spray product onto surface to be cleaned. Wipe surface and rinse. In heavily soiled areas, allow the solution to penetrate for 2-4 minutes. When cleaning glass, ceramic tile, aluminum and painted surfaces, do not allow surface to dry. Rinse thoroughly.

Floor Cleaning: Place slippery floor signs around the area. Apply solution onto the floor with a mop or autoscrubber. Pick up all excess solution from the floor. Rinse thoroughly to avoid corrosion.

Food Processing Areas: Before using this product in food processing establishments, food products and packaging materials must be removed from the area or carefully protected. After using this product, all surfaces in the area must be thoroughly rinsed with potable water. Avoid contamination of food during use or storage.

NOTE: For painted surfaces, pretest a small inconspicuous area
