

Cushion Max™ Mats

Anti-Fatigue Mats • Indoor

Cushion Max anti-fatigue mats feature nitrile-blended foam designed to withstand grease, oil, and chemicals. Though similar in price to PVC foam anti-fatigue mats, Cushion Max mats typically last twice as long.

- **Comfortable** – 5/8" nitrile-blended closed-cell foam provides excellent anti-fatigue properties
- **Durable** – Diamond-pattern surface provides increased durability compared to ribbed surfaces which tend to peel and shave
- **Safe** – Beveled edges provide a safe transition from floor to mat; certified high-traction by the National Floor Safety Institute (NFSI)
- Grease and oil resistant; chemical resistant
- Available with drainage holes for wet area applications

Cushion Max™ Mats

Anti-Fatigue Mats • Indoor

Product No. 414, 413 (with holes)

Size (ft.)	Size (in.)	Shipping Weight
2' x 3'	24" x 36"	5 lbs.
3' x 5'	36" x 60"	9 lbs.
3' x 12'	36" x 144"	18 lbs.
4' x 6'	48" x 72"	14 lbs.

Note: Custom sizes are available in 2' (24"), 3' (36"), and 4' (48") widths and whole foot lengths up to 45'.

Mat sizes are approximate as rubber shrinks and expands in conjunction with temperature and time. Tolerable manufacturing size variance is 3-5%.
