

Verve™ Standing Desk

- Verve™ Standing Desk is designed to help encourage more movement during the workday
- Height-adjustable using a screw-in assembly method from a 36-42"H range to suit a variety of users
- Contoured tabletop adjusts from 0 to 13 degrees to suit individual users and projects
- Standing height helps promote a more active working environment and may help promote additional calorie burn and increased focus over sitting
- Pairs well with leaning or perch seating to help reduce fatigue from standing while still maintaining a more active and engaging posture
- Sturdy stainless steel base and White or Walnut laminate top for long-lasting durability
- Includes two integrated cup holders in the tabletop for secure storage of coffee, water or other beverages
- Great for use in architecture or design firms, personal workspaces, home offices, etc.
