

# MX Anywhere 3S

Compact Wireless Performance Mouse

## MASTER YOUR FLOW. ANYWHERE.

Introducing Logitech MX Anywhere 3S, a compact wireless mouse with next-level precision and control. Quiet Click buttons provide a satisfying tactile feel with 60% less click noise,<sup>1</sup> while an 8K DPI optical sensor offers next-gen responsiveness on any surface—even glass.<sup>2</sup> MagSpeed electromagnetic scrolling delivers remarkable speed, precision and near silence with the ability to scroll 1,000 lines per second, and the low-profile design is contoured for your hand.

Logi Options+ enables Flow cross-computer control and introduces more customizations than ever.<sup>3</sup> MX Anywhere 3S stays powered up to 70 days on a full charge<sup>4</sup> and delivers three hours of use from a one-minute quick charge.

<sup>1</sup> Compared to MX Anywhere 3, MX Anywhere 3S has 60% less Sound Power Level left and right click.

<sup>2</sup> 4 mm minimum glass thickness.

<sup>3</sup> Requires Logi Options+ app, available for Windows® and macOS.

<sup>4</sup> Battery life may vary based on user and computing conditions.

<sup>5</sup> Device basic functions will be supported without software for operating systems other than Windows and macOS.
