

Blue Microfiber Wet Pad - 12" L / Blue

The microfiber wet pad absorbs liquids and removes more dust, dirt, and microbes than conventional cleaning products and provides optimal damp mopping performance with its' dense 3-5 micrometer quality fiber. It has a durable backing that withstands hundreds of commercial launderings. These pads are perfect for hospitals, nursing homes, schools and universities and more.

Key Features

- Premium split nylon/polyester blend microfiber
- Advanced hook & loop backing attaches pads more securely
- Holds up under harsh laundering conditions
- Double finished edges to retain long-lasting mop shape
