

Conq-r-dust[®]

Dust Mop / Dust Cloth Treatment

A special blend of oils and surfactants helps you easily conquer dust.

Features & Benefits

- Effective in attracting and holding dirt and dust, then releases it quickly with just a shake of the mop or cloth - making your job easier!
- Leaves no residue on finished wood and stainless steel surfaces

Applications

- Use on resilient, concrete and terrazzo floors
- Also works great on furniture, woodwork and stainless steel surfaces

Conq-r-dust®

Dust Mop / Dust Cloth Treatment

Use Instructions

- Shake well before using
- For furniture and woodwork, spray onto a clean soft cloth and apply to surface
- Wipe until surface is clean and dry
- For floors, spray on to mop and let stand one hour so spray is absorbed. Dust floor.
- For difficult stains, repeat application

Precautions

- Do not let Conq-r-dust® Dust Mop / Dust Cloth Treatment overspray on to the floor as the product's ingredients could make the floor slippery.
- If overspray occurs, scrub the floor with detergent and pick up excess
- Do not use on ovens or on eating utensils

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
