

# IntelliCare™ Hand Hygiene Dispenser

## Manual Handcare Dispenser

The IntelliCare™ Hand Hygiene dispensing system can address all of your hand care needs with a versatile, modern and durable platform that is compatible with liquid/gel and foam products.

### Features & Benefits

- State-of-the-art dispenser design with a large site window allows user content visibility without opening the dispenser
- Ability to convert from keyed to keyless gives you the flexibility to choose your dispenser security levels
- Ultimate versatility is achieved with one system that will dispense both liquid and foam products
- Robust and reliable ABS-plastic, scratch and UV-resistant body with no dirt traps make for an easy maintenance and spotless appearance
- Dose size adjuster allows you to vary the volume of soap dispensed based on end user needs
- ADA and CCD compliant to meet all of your facilities needs

### Applications

- Great for use in areas where frequent hand washing or sanitizing requires an always-available product dispensing option

# IntelliCare™ Hand Hygiene Dispenser

## Manual Handcare Dispenser

### Use instructions

- Place hand underneath dispenser
- Push pad to dispense product into hands

### Refill Bottle Features

- Fully collapsible recyclable bottle that uses up to 30% less plastic/ml than conventional bottles
- Hermetically sealed bottle with no-drip/no-clog dosing pump that ensures content is free from contamination, avoiding the risk of bacterial build-up
- Larger volume bottle that provides cost-effective hand hygiene and minimizes number of refill changes
- Key-necked plug-in bottle, for a quick, safe and easy refill process
- Unique bottle design collapsing from the back to enable full product visibility, with a <50 doses cue that informs when bottle will soon need replacing

IntelliCare™ Manual Dispenser - White	6 dispensers / carton	D1224701	

### Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diverse.com](http://www.diverse.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diverse.com/dot/>, for up-to-date shipping information.
