Promote wellness in your facility

Effective & efficient soap and sanitizer solutions

[www.certaintybrands.com](http://www.certaintybrands.com)

Certainty™, a trusted brand providing a complete line of soaps that wash germs away and a Health Canada approved sanitizer that gently cleanses the skin.

Certainty soaps feature a precise selection of formulas in efficient dispensing systems to meet your needs. Certainty Foaming Soap products are formulated to provide a thick, pleasing, luxurious foam while using substantially less soap per hand wash than in lotion alternatives.

### Foam Soap Dispensers

Our one pump foam solution provides up to three times the washings versus lotion. Each dispenser can be fitted with your choice of refills.

Effective hand hygiene is one of the most important ways to help prevent the spread of germs in your facility and is critical in keeping your personnel, occupants and visitors safe and healthy.

Certainty Hand Sanitizer kills 99.99% of bacteria, germs and viruses. Our sanitizer provides an effective method of keeping hands clean and free of harmful germs when there is no soap, water or hand towel available.
