

2022 PRODUCT CATALOG

Since 1795, Dixon Ticonderoga has been an industry leading company, manufacturing writing instruments, art supplies, and other tools used for self-expression. Today we lead the market with our innovation and creativity. Our high quality products inspire teachers, children, parents, and artists alike.

We believe we are more than just a writing and art products company. We support our community and empower our educators through great programs like Dixon Recycle and our corporate partnership.

TICONDEROGA®

The World's Best Pencil

The birth of the Ticonderoga brand began with Joseph Dixon in the early 19th century. Since its pencil debut, Ticonderoga has soared above and beyond the classic number two. Ticonderoga pencils are already a household name, preferred by students, teachers, and professionals in nearly all industries around the world.

With Ticonderoga, every school, home, and office will be prepared for anything from recording important information using your favorite writing instrument to erasing mistakes with Ticonderoga's, smudge-free, latex-free erasers.

Today, Ticonderoga continues to lead the charge with high quality writing instruments and carries on the tradition of being

THE WORLD'S BEST PENCIL®.

YOUR MARK YOUR WAY!

Let the Industrial products bring your job sites to life and make your job easier with a range of products crafted specifically for carpentry and construction.

You'll want to mark every surface with the Phano China Markers in every color. The job-site preferred carpenter pencils are easy to sharpen, so you can spend more time completing the job on time. The Industrial line also includes a collection of work-approved crayons for a number of work environments and surfaces.

Your work will be completed more efficiently thanks to the Dixon Industrial marking tools.

CREATIVITY NEEDS VIVID COLORS

Unleash your imagination with Prang's full range
of art and craft solutions.

DAS®

Since 1963 the inimitable DAS clay has been an iconic Italian made brand. In classic white and terracotta colors and today also in marble colors. It is an air-drying clay and does not require cooking.

Synonymous with modeling throughout the world, recognized for its versatility, easy to mould and work with. It can adhere to supports of any kind and easily used with other materials. It can be painted with tempera, acrylic and other colors.

AIR DRY CLAY PACK

- Smooth, even texture
- Can be painted or varnished
- Air-hardening clay that dries within 24 hours
- Works well with wood, cardboard, and terra cotta

GROWS WITH YOU

THE DIXON[®] FAMILY OF BRANDS

A collection of various school and office supplies scattered on a light-colored wooden surface. The supplies include several markers (PRANG Classic Markers, Sketcho, PRANG DECOR, PRANG Color Wands), pencils (PRANG, LYRA, TICONDEROGA), and crayons (DIXON, PRANG, LYRA). There are also some loose red eraser pieces. The background is a plain, light-colored wall.
