Why Healthcare Chooses Beam

DURABLE & PROTECTIVE

Made with the highest quality industrial grade materials, Beam is a drop-rated, splash-resistant case with a screen protector.

CLEANABLE

Disinfectant ready plastics resists the corrosive effects of cleaners and disinfectants, including PDI, Clorox, CaviWipes, and other bleach, alcohol, peroxide, and ammonia-based solutions.

CHARGEABLE

Charge wirelessly with Apple MagSafe chargers, or Proprietary Docking Stations and both with direct port access. Beam is also compatible with multi-bay charge & sync cabinets.

Features & Benefits

Disinfectant-Ready Materials

Designed to withstand repeated cleaning with hospital-grade disinfectants without breaking down, cracking, or discoloring.

Value to customer: Supports infection-control policies and extends device life.

Glass Screen Protector

Provides permanent protection from scratches, cracks, and contamination.

Value to customer: Fewer screen replacements and lower maintenance costs.

Charging Versatility

Allows wired charging, docking, and data transfers without removing the case, with MagSafe Charge Ring built in for wireless charging.

Value to customer: No workflow disruption for carts, kiosks, or workstations.

Slim, Lightweight Design

Provides full protection without bulky feel.

Value to customer: Easier to carry during long shifts and more comfortable for daily use.
