Details Specifications Downloads Shipping

Easy to move, easy to store, easy to match. An excellent solution for your training or conference room needs. These tables feature dual-sided levers to quickly change from horizontal to vertical, and straight-line nesting for easy storage. Includes integrated modesty panel with built-in cable management. Roll them into place and lock the casters for easy mobility, reconfiguration and table stability. They're attractive and practical, featuring effortless maneuverability. With your choice of Black or Silver frames and four laminate top colors, it's easy to coordinate a complete training room with solutions that create a collective aesthetic.
