

SaniWorks® Choice Counter Towels are designed to deliver reliable, everyday cleaning performance in foodservice, hospitality, and commercial environments. The light-duty, highly absorbent material quickly wipes away spills while the apertured design easily lifts crumbs, food particles, and debris for efficient countertop and table cleaning. These towels rinse clean for repeated use throughout a shift, making them a practical and economical solution for front-of-house applications, concession stands, and deli counters. They also support color-coded cleaning programs to help reduce the risk of cross-contamination. Converted and packaged in an NSF-approved facility and compliant with FDA 21 CFR requirements, these counter towels provide dependable cleaning performance while supporting food-safe sanitation practices.
