

ClickSafe® Combination Laptop Locks - Master Access On-Demand - ComboGenie

K64683USA

Product Description

The Kensington ClickSafe® Combination ComboGenie offers effortless computer protection with just one click. It employs two-factor authentication to allow administrators with the ComboGenie and proper administrator code to discover the user-set combination.

Features

- ComboGenie's two-factor authentication process allows for secure combination recovery by authorized administrators
- Must be used with the ClickSafe Combination Ultra Laptop Lock (K64681) or the ClickSafe Master Combination Expansion Loop (K64682)
- Required administrator code
