

CPTDC2U Travel USB Charger

Charge devices while using your cars valuable 12V DC power outlet.

The CPTDC2U Travel USB Charger with 2.1A Quick Charge Technology provides fast USB charging for power hungry devices from your vehicles 12V DC power outlet. Simply plug the charger into a 12v DC power outlet (cigarette lighter outlet) and you're ready to go.

It is equipped with two (2) convenient 2.1A USB ports for charging tablets (including the iPad), smart phones, MP3 players, and digital cameras. Its portable design and auto connector lets your charge electronics on the road or even on a boat. The CPTDC2U Travel USB Charger is the perfect device to charge all your mobile/ consumer electronics, including the latest tablets and smart phones.

A One-Year Warranty ensures that this product has passed our highest quality standards in design, assembly, material and workmanship.
