

15.6” Business Casual Slipcase

TSS898

Overview

With convenient topload access, a padded laptop compartment and streamlined storage, the Targus Business Casual Slipcase offers everyday protection for laptops up to 15.6”. Slimmer than a briefcase and roomier than a sleeve, the case includes a removable shoulder strap, soft-grip handles and a trolley strap for slipping onto your roller bag for travel. Inside, a padded compartment secures your laptop and keeps documents or magazines handy. Take along a charger, smartphone, and other accessories in the zippered front pocket. A durable mix of fabrics and contrast stitching distinguish this lightweight, thin-profile case.

Features

- Padded laptop compartment with document divider fits laptops up to 15.6"
- Zippered front pocket stows charger, smartphone and other accessories
- Convenient trolley strap with hook and loop closure slips onto roller bags for travel ease
