Transfer files quickly and easily between your USB-C™ equipped mobile device or laptop and other PC's using Verbatim®'s Store 'n' Go Dual USB 3.2 Gen 1 Flash Drive for USB-C devices.

With no wireless connection or data plan usage required, you can instantly add storage to your USB Type-C phone or tablet – giving you room to capture more photos, shoot more video or free up space for apps! Backing up those files to your PC is a snap, simply insert the flash drive into the applicable port (USB-A or USB-C) on your PC and transfer the files. A simple settings change on your mobile device also allows you to record video and save photos or music directly to the USB drive – no transfer required.
