

100" Whiteboard for Projection and Dry Erase (16:9)

Projectors

Whiteboard

Project BrightLink[®] displays up to 100" diagonal with this combined projection and dry-erase surface.

All-in-one projection surface and dry-erase board — whiteboard surface is optimized for projection, with minimal glare or reflection

Supports the projection size you need — the perfect companion for your widescreen (1080p) projector, supporting images up to 100" diagonal (16:9)

Ideal for touch-enabled BrightLink displays — magnetic surface with additional space at top of board allows for quick and easy installation of BrightLink touch modules without a bracket

Simple installation — whiteboard mounts quickly and easily with included mounting bar

Easy to clean — included cloth makes cleaning simple

Lasting durability — porcelain surface, aluminum frame, steel-backed construction and square miter corners provide quality you can count on for years, with a 50-year limited warranty

Specifications

Frame Aluminum
