

Desk Mount Monitor Arm with 2x USB 3.0 Ports, Full Motion Single Monitor Mount, up to 34" (17.6lb/8kg) VESA Display, Clamp/Grommet Mount, Mechanical Spring

Product ID: ARMPIVOT2USB3

Save space with this premium desk mount monitor arm, by suspending your screen above your desk.

Use the single arm monitor mount to mount your VESA mount monitor (75x75, 100x100) up to 34".

Made of aluminum, the VESA mount monitor stand provides stable support for your display, with a weight capacity of up to 17.6 lb. (8 kg). Built-in USB 3.0 ports provide convenient connectivity for your computer.

The arm extends 20.2" (514 mm) to allow a wide range of motion. Move the monitor holder arm effortlessly side to side to adjust your screen.

With its articulating arm, the monitor mount makes it easy to find the right viewing angle. Pan +90/-90 degrees left or right and tilt your display +90/-90 degrees up or down. For landscape or portrait viewing, rotate your display +90/-90 degrees.

Work in comfort with this height adjustable monitor stand that lets you raise or lower the monitor arm along the pole, up to 24.4" (620 mm).

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to IT Professionals. Our local StarTech.com Technical Advisors have broad product expertise and work directly with our StarTech.com Engineers to provide support for our customers both pre and post-sales
