ProductSheet
HP 777 DesignJet Printhead (3EE09A)

Professional, high-definition prints

There's no need for light colour inks using high-definition HP printheads with dual drop technology. True 2400 nozzle-per-inch high-definition nozzle architecture (HDNA) provides twice the nozzle density.[2]

Get amazing, professional photo quality
See high-contrast colour enabled by high-definition HP printheads with chromatic HP Vivid Photo Inks.[1]

Work without delays for high productivity
At the ready—you can maximise the life of HP printheads to help reduce downtime using Original HP inks.

Help lower your printing costs
The universal printhead can be installed with any colour, so no need to manage individual colour printheads.

Specifications
