SWINGLINE® OPTIMA® 50 EFFORTLESS ELECTRIC STAPLER VALUE PACK

This automatic, high-capacity stapler is engineered for quality and performance. Value pack comes with everything needed to introduce quick and effortless stapling to your workplace, including a staple remover and 5,000 Optima™ High Capacity Staples. Solenoid technology has 3x faster* stapler speed for greater productivity.

FEATURES:

Jam Free Guaranteed

Jam Free guaranteed for fast, high-volume stapling when used with Swingline S.F.® 4® Premium or Optima High-Capacity Staples.

Low Staple Indicator

A low staple indicator alerts when staples are running low and suction cup feet help hold the stapler in place.

QuickLoad™ Technology

With QuickLoad™ technology, simply eject empty staple magazine with the press of a button. Use S.F. 4 Premium Staples to staple 2-25 sheets, and Optima High Capacity Staples for 26-60 sheets.
