WORKPLACE DESIGNED TECHNOLOGIES

MARS DRINKS™ FLAVIA® C500 is a top performer in the workplace, delivering a wide range of single-serve drinks, including freshly ground coffees, cappuccinos, lattes, real-leaf teas and premium hot chocolate to fuel the workday.

MARS DRINKS™ FLAVIA® C500

features a compact, modern design built to deliver the benefits you've come to expect—including reliable performance, hassle-free maintenance and no cross-contamination of taste from one drink to the next.

It's the modern day water cooler that'll bring people at work together—from the boardroom to the break room.

HIGHLIGHTED FEATURES

- Enhanced LCD menu display for a more intuitive brewing experience
- Brews a delicious range of drinks, each in less than a minute
- Patented brewing process ensures no cross-over in flavor from one drink to the next
- Portable and flexible, with pour-over and plumbed-in options for easy office placement
- Hassle-free reliability you can depend on
- Perfectly pairs with our **MARS DRINKS™ FLAVIA® Barista** and **Coffee Shop Merchandiser** to deliver an authentic coffee shop experience in the office
