

MEET CHARLES

I'm wet, I'm dry. As my psychiatrist would say- I'm conflicted but I've been working in professional environments for decades. Some days I'm adventurous and work on cleaning up clogs and spills. On others, I'm more traditional and keep your carpets and hardwood floors immaculate. Yes, I might have a split personality but both sides work hard for you. I promise to bring my work ethic to every task; tackling dust, dirt and spills leaving your home spic and span.

Ideal for wet-dry use, carpets, hard floor surfaces, spills and clogs.

The float ensures that water never reaches the motor

Commercial grade floor tools are standard with our vacuums

Patented HEPA-FLO vacuum bags ensure excellent filtration

The Tritex filter provides 0.3 micron filtration at 96% efficiency
