

Scensibles® Combination Dispenser Receptacles

Safe and Sanitary Disposal of sanitary napkins and tampons is an important part of a complete personal care solution for public restrooms. Help prevent plumbing problems by providing lined waste receptacles in each stall to Encourage proper disposal and Discourage flushing of waste. Each receptacle dispenses Scensibles® personal disposal bags and includes 1 complementary box of disposal bags. Lightly scented, the Scensibles disposal bags have built-in antimicrobial agents that inhibit the growth of odor-causing bacteria, helping to keep restrooms smelling fresh.
