KEURIG® Eccellenza Momentum™ BEAN-TO-CUP MACHINE

When high quality bean-to-cup
brewing meets premium coffee

Using freshly ground coffee beans that are brewed to perfection in minutes, this coffee maker offers a selection of 11 specialty beverage options to suit any taste: *Coffee, Iced Coffee, Espresso Style, Cappuccino, Latte, Cafe Mocha, Mochaccino, Hot Chocolate, Hot Milk Chocolate, French Vanilla, and French Vanilla Coffee.*

The pinnacle of bean-to-cup brewing, now including iced & hot coffee!

NEW!
Brew Over Ice
coffee

The large colour touch screen displays beverage images for an enhanced user experience.

Two cup size sets:
10, 12, 16 oz.
or 16, 20, 24 oz.

Three flavour intensity options ensure a perfectly customized coffee beverage selection.

Plumbed-in water ensures continuous brewing functionality.

Three powder hoppers containing milk, French vanilla, and chocolate mixes allow for greater flavour options.

Reverse French press technology for a refined brewing process.

Easy to configure, and fully serviceable to maintain consistency and quality.
