Why push a mouse, when you can just point? The Adesso Smart Cat™ 4 Button Touchpad makes it easier than ever to control your computer with the touch of a finger. To operate, simply glide your finger over the smooth touchpad surface and gently tap on the pad or click the buttons to perform cursor movement functions. Also enjoy the advanced multi-touch features that let you use various finger touch combinations to control your applications (e.g. Internet browser). The Adesso Smart Cat™ Touchpad is small and portable, making it easy to take this great tool with you anywhere.

■ Multi-Touch Features*

This touchpad offers the same great functions of traditional touchpads along with advanced multi-touch gestures, to control your device and applications easier and with minimal hand strain. Use two fingers to Pinch Zoom In or Out, Scroll, Drag or Rotate; three finger options include Swipe Backward or Forward.

■ Programmable Buttons

Use the two programmable buttons to access your favorite shortcuts instantly.

■ Vertical Scrolling

Enjoy quick access to vertical scrolling with the integrated vertical scroll function on touchpad.

■ Small & Portable

Take this touchpad with you anywhere, its small lightweight design makes it great for travel, so you can use with all your devices anywhere.

*Requires GlidePoint® software installation (http://www.adesso.com/drivers/GlidePoint.exe).
